Mr. Calderon holds a Bachelor of Marketing degree from Arizona State University. He has been a part of the Guidance College family for over a year now. He supports the team, particularly in digital marketing and website development, with his technical skills, including expertise in marketing automation tools and web development platforms.

About NACIF

The purpose of the North American Conference on Islamic Finance (NACIF) is to foster the sharing of global knowledge. It is an international forum for Islamic finance scholars and practitioners to discuss and collaborate on the various innovative practices that are being used in the Islamic finance industry. Ultimately, the goal of NACIF is to facilitate
