Afnaan Moharram

Afnaan Moharram has a BS and BA in International Studies and Business from the University of Pennsylvania in 2014. She most recently completed her MS in Islamic Finance from Hamad Bin Khalifa University in Doha, Qatar. Prior to her graduate studies, she worked for nearly seven years in the corporate retail industry in demand forecasting, inventory management, strategy and analytics. Afnaan's interests include ethical consumption and investing, financial inclusion, and how the Muslim money mindset should inform individual behavior and financial product development within the Islamic finance industry.

and practitioners to discuss and collaborate on the various innovative practices that are being used in the Islamic finance industry. Ultimately, the goal of NACIF is to facilitate sustainable finance practices that benefit society at all levels.
