experience in the Energy Industry and more recently a social entrepreneur founding a project called The Muslim Potential aimed at
helping driven Muslims to overcome self-doubt and fears, realign with purpose, and take decisive, value-driven action. She speaks about self-leadership, purpose, and collaboration

About NACIF

The purpose of the North American Conference on Islamic Finance (NACIF) is to foster the sharing of global knowledge. It is an international forum for Islamic finance scholars and practitioners to discuss and collaborate on the various innovative practices that are being used in the Islamic
